

Comments on Draft Year 2 Study Plans

Agency	Section	Text	Comment
ADFG	Section 1.2.12 Introduction, Ongoing Study Efforts	Aquatic habitat monitoring being conducted by ADFG for Eklutna, Inc. in partnership with TU	Correct this sentence. This should read 'we are continuing the monitoring funded for the last 3 years under an agreement with Eklutna, Inc. through a new agreement with Trout Unlimited'.
ADFG	Section 3.4.3 Lake Aquatic Habitat and Fish Utilization Study, Study Area	Based on consensus with the Aquatics TWG, we propose to complete spawning habitat surveys in Tributary 4 both downstream and upstream of the culverts, understanding that ADFG may be planning to remove those culverts in the future.	Correct this statement. We are aware of the culverts and agree they should be replaced, but we only permit the replacement, not actually remove them.
ADFG	Section 3.4.5. Lake Aquatic Habitat and Fish Utilization Study, Reporting	late littoral zones	lake?
